11<sup>th</sup> December 2020

Dear Parent or Carer,

We have made the difficult decision to send some students in Year 10 home today to self isolate, owing to a rise in cases of COVID-19 over the last few days. Your daughter will have brought a letter home with her if this applies to her. We know that this will be concerning, but we are working with Public Health England to continue to ensure that the school is safe.

We have carefully traced contacts and where we can see patterns of transmission in a class we have sent children in that class home to self isolate. The health and safety of all children in the school is the priority.

As always, if you have any questions please do not hesitate to contact us on Monday morning and we will do our best to answer them as quickly as possible.

This remains a critical period of time where our emphasis is that everyone remains safe and as well as possible. We ask for your support whilst we continue this delicate balance ensuring that the right children are identified and isolate for the appropriate period of time. This is to protect everybody, including families.

Yours sincerely

Dr V J Ogden  
Headteacher
