December 2020

Dear Parent/Carer,

Year 9 Virtual Guided Options Event: Thursday 10th December

This year we are changing the way we launch the Year 9 Guided Choices process for students and parents. On **Thursday 10th December** Ms Reid and I will host a Year 9 Guided choices webinar event for parents and students to attend. This event will start at **5:00pm and run until approximately 6:00pm.**

Ms Reid has emailed all Year 9 parents with details of how to sign up for this event. Contained in this email is a link, simply click this to register and a reminder will be emailed to you before the event begins.

During the event Ms Reid and I will explain the Guided Choices process to parents, we will cover questions such as:

- What subjects can my daughter choose?
- How can I find out about the content of options subjects?
- When does my daughter have to make her decision by?
- When will she find out which subjects she has been allocated?

We will be dedicating the second half of the webinar to answering parent questions about the Guided Choices process. Please do email these to me in advance, and I will answer them during the event. My email address is at the bottom of this letter.

Many thanks for your continued support.

Yours sincerely,

Mr D Bailey - Assistant Head Teacher for Key Stage 3
