1st December 2020

Dear Parent or Carer,

We are delighted to invite your child to our exciting **Sixth Form Open Evening on Thursday 10th December from 4pm – 6pm**. This special opportunity is just for Year 11 students studying at Mulberry School for Girls.

Our unique Sixth Form is a centre of academic excellence and outstanding teaching and learning for young women, with a skilled and experienced staff who are committed to your child's continuing success and well-being. This year, our incredibly hard-working Sixth Form students have secured places on a range of different courses at some of the UK's top universities, including the University of Cambridge, the University of Oxford, Queen Mary University of London, Kings College London, University College London, Goldsmiths University of London and SOAS. Our in-depth Oxbridge and UCAS provision will ensure your child can continue their studies at the UK's best higher education destinations, whilst our specialist careers provision will guide your child in achieving their aspirations.

We have a variety of different courses, enabling your child to focus their study on specific areas like STEM subjects, arts subjects or humanities subjects, or combine a breadth of subjects across disciplines. As well as a range of A Levels, we also offer applied science through CTEC Health and Social Care. Our unparalleled pastoral care, tailored intervention and experienced and passionate teachers will provide excellent guidance in preparing your child for the next part of their journey.

On Thursday 10th December, your child will meet the Sixth Form Leadership Team, and attend three subject taster workshops. The Sixth Form Open Evening has been designed to support your child in understanding what it is like to study at A Level, and to begin to think about the subjects they would like to study when they join in Year 12. This is the first of several opportunities for your child to think about what they might like to study next year.

Unfortunately, at the moment we are not able to accommodate families at the school owing to Covid-19 restrictions. Therefore this Sixth Form Open Evening will just be for your child. However, on **Monday 14th December from 4.30pm – 5.15pm**, we'd like to invite you to attend a special **online** webinar where you can meet the Sixth Form Leadership Team, ask questions and learn more about the fantastic opportunities at Mulberry.

Please complete the attached reply slip or complete the online link, to give your child permission to attend the Sixth Form Open Evening on Thursday 10th December 4pm -6pm, and to share your email so that we can send you a link to join our parent and carer webinar on Monday 14th December 4.30pm – 5.15pm.

We are looking forward to working with you and your child, as they continue their education at Mulberry.

Yours faithfully,

Mr Chris Harvey
