

June 2021

Dear Parent/Carer,

We hope that you and your families are well.

The Year 7 Parent Consultation evening will take place on **Thursday 17th June 2021 from 4pm-7pm**. To ensure the continued safety of parents, students and the wider community, the meetings will be held virtually, via Microsoft teams.

On this evening, you will have the opportunity to virtually meet with your daughter's subject teachers. We are using an appointment system for the evening and your daughter will arrange the appointment times directly with her teachers.

As part of this evening, you will be presented with your daughter's current performance against her target grades. As your daughter did not sit her Year 6 SATs the school has used information from other sources before making a final decision on your daughter's target grades. Please see the box below for a full explanation of the methodology used.

Each target grade is based on assessment data from the Maths Baseline Test and the online Reading Tests completed in the autumn term. These two results provided us with a benchmark by which we could judge which students were likely to have achieved 'expected standard' had they sat their SATs. This was then compared to previous Year 7 groups to identify what target grades should be set for each student. Performance in each subject in the autumn term of Year 7 was also taken into account to ensure the grade was individualised. Targets are regularly reviewed for all students.

Appointments will last for 5 minutes. If there is a particular subject teacher that you would like to see, then please use this as an opportunity to do so.

On Tuesday 15th June, prior to the evening, all Year 7 parents will receive their daughter's progress report, including target grades, via the Edulink app and the report will be visible under the documents tab.

The guidance for downloading and accessing EduLink is here: [Letter to parents re introduction to EduLink One 15.01.21.pdf \(mulberryschoolforgirls.org\)](https://mulberryschoolforgirls.org/letter-to-parents-re-introduction-to-edulink-one-15.01.21.pdf)

You should have received an email from edulink@mulberryschoolforgirls.org with your unique log in details. Once you have these you should follow these steps:

'Students are fulsome in their praise for the quality of teaching and the exceptional support teachers provide to ensure they all attain well. Students' social, moral, cultural and spiritual development is exceptional. Mulberry girls are ambitious, confident and principled.'

Ofsted 2013

Head: Dr. V.J. Ogden BA (Hons) MA (Ed) EdD FRSA

- 1) Search for Edulink One from the Apple App Store or Google Play Store and install the app to a mobile device – you can have it on multiple devices if you wish.
- 2) If you do not have a device suitable for the app, you can access all of the same features through the website at <http://www.edulinkone.com>
- 3) You will need to then enter our school ID – which is MSG
- 4) Enter your unique log in details

Thank you for your continued support.

Yours sincerely,

Ms R King
Head of Year 7

Ms A Ward
Associate Headteacher
