2021: Summer Term 1**

We have a great range of clubs which are beginning from Monday 26th April 2021.

We will launch some more clubs later on in the term.

Due to COVID, we have kept all inside clubs to year hubs.

You can turn up on the day, but you need to let your parents know beforehand. They will know which clubs are running as they will be told on the Edulink App.

Do contact Mr Creed if you have any questions, or there is a club you would like to see ran.

Remember that the Remote Enrichment Hub is on Teams – you can find this on your Year Team, for any online/ at home activities.

Have fun!
