

Year 12 and 13 Homework Expectations

In 6th form students are expected to be independent learners and to use their private study time effectively. They will be given lots of guidance with this including support with creating revision schedules, effective note taking, essay writing and academic literacy support.

Students taking 3 A Levels should complete 6 hours of independent work per subject per week. This will include set homework and wider reading. A lot of this work will be completed using their private study time in school but they should also expect to complete at least 2 hours of study at home each evening.

Students studying for level 2 and 3 Health and Social Care will have ongoing coursework that they should be completing as well as revision for their exam modules.
