Dear Parents and Carers,

As we approach the end of the school year, we have made the difficult decision to cancel the trip we had planned for Year 12 tomorrow. We are cautious about the rising number of positive cases of Covid-19, and feel that it is best that we reduce further risk by cancelling this trip around London. We’re sorry for the disappointment that this may cause for your child.

As you’re aware, the last day of school is Monday 19th July. However, we have also advised Year 12 students that they should study at home tomorrow and Monday 19th July. When students leave today, we will not see them in school again until September.

We are incredibly proud of how committed Year 12 have been over the course of this academic year, and the resilience they have shown in response to the challenges brought about by Covid-19. We will communicate with students via email regarding their access to work and revision over the summer break. Further whole school communication will follow, including information regarding September and the start of Year 13 for your child.

Finally, thank you for your continued support of the school.

With very best wishes to you and your family for the summer holiday.

Kind regards,

Mr C Harvey
Deputy Headteacher
