Dear Parents

**Summer School 2021: 23<sup>rd</sup> – 27<sup>th</sup> August**

In August 2021 Mulberry School for Girls is delighted to be offering a week-long summer school for students in current Years 7 to 9, and for new Year 7 students who will be joining the school in September.

The week will be a chance to take part in a variety of enrichment and arts activities, as well as to spend time working on core academic skills to be fully prepared for the new school year.

Current students will have the chance to take part in a week-long arts-related project in either film, music, design, drama or art, working with professional visiting artists from organisations such as Half Moon Theatre, Bow Arts and Eastside Educational Projects.

New Year 7 students will have the opportunity to get to know their new school and their new classmates, and will take part in a series of fun taster workshops in art, dance, music and drama.

All students will also take part in academic activity designed to make sure that they are in the best possible position to thrive when the new school year resumes in September.

The week will run from **Monday 23<sup>rd</sup> – Friday 27<sup>th</sup> August**, from **9am -3pm** each day.

Lunch will be provided for students in receipt of free school meals.

Students will not be expected to wear school uniform for the week, but other normal school rules will apply.

It promises to be an enjoyable, educational and enriching week for all involved, and we hope that your daughter will consider taking part.
