

Head: Dr. V.J. Ogden BA (Hons) MA (Ed) EdD FRSA

24th September 2021

Dear Parent/Carer,

Year 7 Reading Test

I hope you have found the transition from primary to secondary school a smooth and enjoyable experience. I'd like to take this opportunity to introduce myself as the Head of Year 7. I look forward to working with you, to ensure that your daughter receives an outstanding education at Mulberry and makes exceptional progress. As a Head of Year it is my responsibility to guide, support and monitor your daughter's progress in all areas of her development. If you have questions about your daughters learning, do not hesitate to contact me.

Year 7 Reading Tests

Due to the disruption caused by Covid-19 we did not receive the information that we would normally get from primary schools about your daughter's reading and writing skills. In order to provide a suitable solution to this, all students in Year 7 will be completing a reading test next week (week beginning 27th September 2021) during her computing lesson. This assessment will not require any revision beforehand. Students will complete the assessment online and their answers will be marked and returned to the school. Her grade will be shared with you when you are invited to discuss her progress as part of our Academic Review Day (25th November 2021).

If you have any questions about the assessment you can contact me by phone on ext 253 or via email.

Many thanks,

Fatima El-Meeyuf

Year Learning Coordinator Year 7
