Dear Parent or Carer,

Mulberry School for Girls Sixth Form Open Evening
Thursday 14th October
4pm – 6pm

We are delighted to invite you and your child to our exciting Sixth Form Open Evening on Thursday 14th October from 4pm – 6pm.

Our unique Sixth Form is a centre of academic excellence and outstanding teaching and learning for young women, with a skilled and experienced staff who are committed to your child’s continuing success and well-being. This year, our incredibly hard-working Sixth Form students have secured places on a range of different courses at some of the UK’s top universities, including the University of Cambridge, Queen Mary University of London, Kings College London, University College London, Goldsmiths University of London and SOAS. Our in-depth Oxbridge and UCAS provision will ensure your child can continue their studies at the UK’s best higher education destinations, whilst our specialist careers provision will guide your child in achieving their aspirations.

We have a variety of different courses, enabling your child to focus their study on specific areas like STEM subjects, arts subjects or humanities subjects, or combine a breadth of subjects across disciplines. As well as a range of A Levels, we also offer applied science through CTEC Health and Social Care. Our unparalleled pastoral care, tailored intervention and experienced and passionate teachers will provide excellent guidance in preparing your child for the next part of their journey.

On Thursday 14th October, you and your child will be able to speak to our fantastic team of Sixth Form teachers, learn about what it is like to study at A Level, and begin to think about the subjects your child would like to study when they join in Year 12. This is the first of several opportunities for your child to think about what they might like to study with us next year.

When students finish their school day on Thursday, they will remain in their tutor rooms between 3.30pm – 4pm, where we will provide light refreshments, before they make their way over to the Sixth Form site at 4pm. Students will then be able to meet you in the Sixth Form area (please note that the Sixth Form entrance is at the back of the school site).

We are looking forward to meeting with you and your child, as they continue their education at Mulberry.

Yours faithfully,

Mr Chris Harvey
Deputy Headteacher
