

Tuesday 07<sup>th</sup> December 2021

Dear Parents/Carers,

We hope that you and your family are well.

We are looking forward to meeting parents and carers at the Year 9 parent consultation on **Thursday 9<sup>th</sup> December** from 4pm-6pm.

To ensure the continued safety of parents, students and the wider community, **we have made the decision to move these meetings to run virtually, via Microsoft teams.**

On this evening, you will have the opportunity to virtually meet with your daughter's subject teachers and to discuss options subjects at GCSE.

We are using an appointment system for the evening; your daughter will arrange the appointment times directly with her teachers. Your daughter should make appointments for all subjects.

If you and your daughter would like to discuss studying Triple Science or Film Studies then Ms Rahman and Mr Gleghorn are available to discuss their subject with you. Please ask your daughter to call these teachers by using the 'call now' option via Teams. You do not need an appointment to speak to either of these teachers.

The Options Marketplace can still be accessed via the school website where you will find videos containing information about each options subject offered at GCSE. Please follow the link below:

<https://www.mulberryschoolforgirls.org/curriculum/year-9-options/>

Appointments will last for 5 minutes. If there is a particular subject teacher that you would like to see, then please use this as an opportunity to do so.

If you think that your daughter needs any support in booking appointments, please feel free to contact me.

Thank you for your continued support.

Yours sincerely,

Mr D Bailey  
Assistant Head teacher

Part of the

Mulberry  
Schools Trust
